#### FINISHING NOTE

Marble is a natural material with distinctly unique formations, markings and colouration. All our glasswork is hard blown and will vary from piece to piece - variations in form and proportion. Colour formation, pattern and finishing details are unique to each lamp and it is part of the charm that no two products are exactly the same.

#### CLEANING INSTRUCTIONS

The finishes on this luminaire only require regular cleaning with a soft dry duster. Abrasive or chemical cleaners may harm the finish and should not be used. Shade to be dusted with a clean dry cloth.
